STYLISH. QUALITY. FUNCTIONAL SOLUTIONS

# WARDROBES

From smaller traditional homes to larger contemporary designs, we have excellent wardrobe solutions for every space.

## **Traditional**

The Traditional range is ideal for less complex storage options, offering exceptional value for money without compromising quality or style.

The Traditional system is wall hung, supported by a robust track fixed directly to the wall. The range is made from high quality 16 & 18mm Melamine MDF and comes in a range of colours & stylish woodgrain finishes. The Traditional range can be fully adjustable with the option to add extra features if required.

## **Classic**

The Classic range is an elegant floor mounted wardrobe system, ideal for key areas in the home such as the master bedroom. The Classic range is made from high quality 18mm Melamine MDF and comes in

a range of colours & stylish woodgrain finishes. Designed to be both stylish and functional, these solid, floor mounted wardrobes are built to last. The Classic range comes with an extensive selection of shelving, drawers and accessories, that can be tailored to individual needs.

## **Euro**

The Euro is the premium wardrobe solution ideally suited for contemporary walk-in wardrobes and dressing rooms. This high end product, coupled with quality craftsmanship produces a superb finish. The Euro wardrobe is manufactured in 25 & 30mm Melamine MDF and comes in a range of colours & stylish woodgrain finishes. Complementing the Euro is the ultimate range of sophisticated accessories including soft close drawers, pull-out mirrors, extendable shelves for shoes and drawers for jewellery. Creative design ensures that the finished product blends in harmony with the home and enhances the space.

## CREATING THE RIGHT SOLUTION FOR YOU...

At Innovative Interiors we are passionate about design. Wardrobes and storage areas are created to ensure effective and efficient use of the space available in the home. Our experienced consultants take the time to get to know each client, identify exactly what they need and then design the solution accordingly. Solutions are crafted not only to match client requirements but to complement existing décor and enhance the overall living space. Innovative Interiors provide **free consultations** in your home or visit one of the many showrooms to view the extensive range of options available.

Innovative Interiors design stylish effective solutions for all storage requirements in the home. From a home office to a garage or workshop, our design team can work with you to create a space that works efficiently and looks amazing.

Well planned storage and shelving helps to clear away clutter and improve the functionality and flow of a busy home. Our designers assess the space, consider everything from height and depth to accessibility and then present a range of suitable options. Innovative Interiors offers a full design, manufacture, and installation service for all your storage requirements, from children's storage to entertainment units, laundries and bespoke shelving.

### 'Whisper' Sliding doors

Innovative Interiors manufacture and supply Whisper sliding doors, providing the perfect finishing touch for any wardrobe, office or storage space. Fluid engineering and quality componentry ensure that our sliding doors glide through the tracks with the lightest touch. Creative use of different materials such as melamine, glass and mirrors can add style and detail to your wardrobe or office. Door panels can also be painted to complement existing colour schemes. The team at Innovative Interiors will work with you to choose the perfect sliding doors for your home. Sliding doors will be custom made to specific requirements.
